ST. PATRICK'S DAY

A cultural and religious holiday held on March 17th, the traditional death of St. Patrick, who was the patron saint of Ireland.

St. Patrick was born in the fourth century in Britain. He went to Ireland to help spread Christianity among the Irish.

The symbol of St. Patrick is a three-leaf shamrock, not a four-leaf clover. However, long before the shamrock became associated with St. Patrick's Day, the four-leaf clover was regarded by ancient Celts as a charm against evil spirits. In the early 1900s, O. H. Benson, an Iowa school superintendent, came up with the idea of using a clover as the emblem for a newly founded agricultural club for children in his area. In 1911, the four-leaf clover was chosen as the emblem for the national club program, later named 4-H.
